

Internet Family History is a practical, easy to use book with lots of tips, hints and advice to save time, money and frustration when using online family history resources. It is a great book for both beginners and experienced researchers. Use it to start your research, expand on what you know and learn how to use technology and the latest online family history resources including wills and probate, civil registration, parish, census and cemetery records. There is advice on storing and caring for records collected (paper based and digital). Learn more about archives and libraries, eResources, eBooks, Cloud storage, Google, digital notebooks and mobile apps. Resources cover Australia, England, Ireland, Scotland and Wales plus FamilySearch world coverage.

Internet Family History ISBN 978-0-9804372-5-6 – Published 2012, **Fully Revised and Updated 2016**, A5, 44 pages.

Great Value - \$12.00 plus \$3.00 post and pack in Australia. I offer a 25% discount on 5 or more copies for resale. Titles can be mixed. Click here for an [Order Form](#)
