

IRISH RESEARCH ON THE INTERNET— 2nd edition by Cora Num

Use this book to discover new and exciting ways to research Irish family history using the latest online resources and techniques. Learn how to access material previously only available in libraries, archives and local history collections. This fully searchable material (most of it free) offers unprecedented research possibilities.

The 2nd edition has been totally revised and updated to include lots of new and exciting Irish family history resources. This book is suitable for both beginners and experienced researchers. Use it to start your research, expand on what you know or to learn how to use the latest online resources.
