The British Newspaper Archive BNA offers access to 27.5+ million newspaper pages dating from the 1700s to current. It is free to search with keyword, publication and browse by location searches available. Filtering options include date, newspaper, countries, regions, counties, place, type (article, advertisement, illustrated, family notice, miscellaneous) and public tags.

There is an *Advanced Search* which allows you to: Search all words; Search some words; Exclude words or Use exact phrase.

A search returns a sentence or two of the newspaper with a link to the digitised page. A subscription is needed to access the digitised page.

Packages available include: 1 month for £12.95, 12 months for £79.95 or PayAsYouGo for £19.95 which allows 40 page views over a year. (Prices current, Sep 2018)

What titles are available?

To see what titles are available scroll down to *Explore Publications*. Click on *Choose a title* for access to an alphabetical list of all titles and date ranges.* A *Choose a county* option is available or you can click on an area on the map.

Details of the pages added in the last seven days are available. The *View Latest Titles* lists latest updates to existing titles and lists any new titles added. New date ranges and titles are being added on a regular basis.

***Note:** The date ranges may have gaps that will be progressively filled as more papers are scanned.
